

NAMIWALKS - is a fundraising and awareness campaign for mental illness. Be part of the largest fundraiser for mental illness in America.

Every year for the last 15 years engaged and dedicated Team Captains have been registering their friends, family, faith based community and co-workers to participate in NAMIWalks. NAMIWalks is a public display of support for people affected by mental health conditions and is one important way we are changing the way Americans view people with a mental illness. Please help us "stomp out" the stigma of mental illness and provide programs of support by sponsoring our National Alliance on Mental Illness (NAMI) annual NAMIWalks fundraising and awareness campaign.

## Participate in our Annual Walk

Join families, friends, local businesses and corporate leaders interested in raising awareness of the impacts of mental health on the community.

- Register a Team
- Donate to yourself
- Ask friends, family and co-workers to join you

**REGISTER for NAMIWalks [HERE](#)**

## Team Captain Fundraisers

An evening of intrigue to benefit NAMI New Mexico

show.
